WORK EXPERIENCE

Wongdoody | Infosys

JAN 2021 — PRESENT

Lead Experience Designer

Worked with multiple Fortune 500 clients, designing across a variety of domains. Meanwhile, continuously skilling up through the in-house trainings and initiatives.

• US Based tech giant

Working with a team of designers to create, maintain and update a major sales portal across devices.

• South Korean Multinational Conglomerate

Lead two verticals within the project. Designed 10+ standalone widgets and the web-interface for a call tracker API. Received a 94% approval rate from client.

• Dashboard for Logistics Company

Designed and presented native flows for a white-label product.

Freelance Designer

JULY 2018- DEC 2020

Worked across multiple design domains including UX, architecture, branding and Industrial Design. The clientele being mostly early stage startups e.g., ORIS & SOMA.

INTERNSHIPS

Evinix Design Concepts Pvt Ltd, Ghaziabad

JUNE 2019 - JULY 2019

Product Design Intern

Designed and prototyped 3 articles which later made into mass-manufacturing. Documented the entire process and presented to the graduating class of M.Des students.

Spacematters, Delhi

JANUARY 2017 - JULY 2017

Research and Documentation Intern

Interviewed 30+ people and documented several processes of a native wood craft — likhai. Co-authored the only comprehensive document existing for the apparently lost wood craft.

Delhi Development Authority

JANUARY 2014 - JULY 2014

Transportation Design Intern

Researched vehicular density and conducted traffic analysis along a proposed route in Delhi. Later, worked with Transport Planners to design and develop the said corridors and presented the design to the Lieutenant Governor of Delhi.
