Hi!

HI! I'm Prateek, an architect turned designer. I have always had a penchant for technology and my education in design has equipped me with the right tools to humanize it.

Work

Wongdoody | Infosys
Lead Experience Designer, Jan 2021 - Present

US Based tech giant
Working with a team of designers to deliver the changes across a lineup of products based on user generated data.

South Korean Multinational Conglomerate
Lead two verticals within the project. Designed 10+ standalone widgets and the web-interface for a call tracker API. Received a 94% approval rate from client.

Dashboard for Logistics Company
Designed and presented native flows for a white-label product.

Freelance Designer 2018-2020
Designs for clients - Soma, Oris

Internships

Evinix Design Concepts Pvt Ltd, Ghaziabad
Product Design Intern, June 2019 - July 2019

Designed and prototyped 3 articles which later made into mass-manufacturing. Documented the entire process and presented to the graduating class of M.Des students.

Spacematters, Delhi
Research and Documentation Intern, Januray 2017 - July 2017

Interviewed 30+ people and documented several process of a native wood craft - likhai. Co-authored the only comprehensive document existing for the apparently lost wood craft.
